- **TOXC102 – Regulation of Hazardous Air Pollutants (HAPs) from Stationary Sources**

Course Length	Dates*	Session Schedule
1 day	December 8, 2025	8:30 am – 3:30pm CT (no site visit)

- **TOXC220 – Coatings: Auto, Metal Parts and Products (Formerly NACT 231)**

Course Length	Dates*	Session Schedule
1 day	December 9, 2025	8:30 am – 4:30pm CT (with site visit)

- **TOXC223 – Stationary Reciprocating Internal Combustion Engines (Formerly NACT 271)**

Course Length	Dates*	Session Schedule
1 day	December 10, 2025	8:30 am – 4:30pm CT (with site visit)

The order in which these courses are delivered may change to accommodate site visit schedules.

Location: These IN-PERSON training courses are being held at:

Mississippi DEQ
700 North State Street
Jackson, MS 39201

There is no registration fee for this training for Metro 4 and SESARM agency staff members. For information about hotel and per diem costs, please contact Scott Hodges at shodges@metro4-sesarm.org.

Registration Deadline: November 22, 2026

Maximum Attendance: 30 Registered Students Per Course in order to allow instructors to fully engage students and manage Q&A sessions, ultimately making each course more interactive.

Additional Course Information:

Site Visits: Please note that two of the three courses are designed to include a site visit in the afternoon. Based on the scheduling, one or more of these site visits may be combined to cover

equipment on the same visit. Students should come prepared with PPE (Hard hat, safety glasses, steel-toed shoes, and hearing protection) as would be necessary at a site inspection. Some group transportation may be made available by the host agency, however you may need to provide your own transportation as necessary. More details about the site visits will be sent as the visits are confirmed.

Instructors: Bob Hetes, Ted Guth and Bob Waterfall

Who should attend: New and experienced compliance, enforcement, and permitting regulatory agency staff.

Course Description: These courses provide general information associated with the operations, controls, and inspection of the equipment referenced in the titles (HAP Sources, Surface Coating, RICE Engines) After completion of the courses, learners will be able to describe operations, control devices used and conduct inspections on these equipment types.

Registration and Waitlist: Metro 4/SESARM will work with your agency Training Coordinators to confirm and prioritize attendance as necessary. You will receive a confirmation notice from the LMS system, once you have been ENROLLED in this course.

Registration Instructions:

Students will need to do the following in order to REGISTER for the course in the LMS system:

1. **Create a PROFILE in the new LMS:** If you have not already done so, please create an account in the new LMS here.
2. **REGISTRATION within the LMS:** To do this, please follow these instructions:
   - Log-in to your account and hover over the "My Training" tab on the home page.
   - Select the third option under "My Training" entitled "Instructor Led Training Calendar."
   - Change the month to December of 2026, if it is not already and scroll down to the course date and click on the course title.
   - Register for all 3 of the courses by clicking on the blue **REQUEST** button . If the course is full, you will be able to add yourself to the waitlist by clicking the blue button on the bottom right-hand corner which reads **ADD TO WAITLIST**. You should receive a confirmation message that you have been added to the waitlist. Initially all students will go on the waitlist. Once reviewed, I will add students to the roster. You will also receive an automated email once you have been confirmed and added to the roster.
   - Once you have been enrolled in the course, we will communicate regarding the need for completing a **PRE-TEST** or **POST-TEST** within the **LMS**.

Accessibility: Metro 4/SESARM strives to host inclusive, accessible training events that enable all individuals, including individuals with disabilities, to engage fully with the instructor and course

content. To request an accommodation or for inquiries about accessibility, please contact Scott Hodges using the contact information given below by Friday, October 16, 2026.

Please direct any questions about registration to Scott Hodges at (601) 540-3703 or **shodges@metro4-sesarm.org**.

Additional Location and Hotel Information

Training Location

The training will be held in the large conference room of the MDEQ Office Building located at 700 North State Street. Please check in at the receptionist's desk upon arrival at the MDEQ office.

Parking

Visitor parking is located directly behind the MDEQ building. Parking is free.

Hotel Information

Metro 4/SESARM has not reserved a hotel room block for this training event. The address for recommended hotels in the area are listed below. You will need transportation to get from these hotels to the training location. (FYI: The Federal GSA rate in Jackson, MS is $113 for December 2026. Some of these hotels may be above the GSA rate. Metro 4/SESARM cannot help you get a GSA rate, as we are not a government agency.)
